

INTL JOINT COMMISSION  
2401 PENNSYLVANIA AVE NW  
4<sup>th</sup> FLOOR  
WASHINGTON, DC 20430

GENTLEMEN:

UNTIL NOW I HAD NO IDEA  
YOUR COMMISSION HAD THE ABILITY TO  
INCREASE THE WATER LEVEL OF  
LAKE MICHIGAN & HURON.

I'M A PROPERTY OWNER ON  
LAKE MICHIGAN (CHARLEVOIX). WE CAN  
NO LONGER USE MANY PLEASANT BOAT LAUNCHES  
DUE TO WATER LEVELS SO LOW. I'VE  
PERSONALLY SEEN THE WATER MOVE  
AWAY FROM MY HOME 150' BECAUSE  
OF THE LOW LEVEL, REDUCING MY  
PROPERTY VALUE. BOATS HAVE RUN  
AGROUND IN NEARBY LAKE CHARLEVOIX  
(CONNECTED TO L. MICHIGAN).

PLEASE! IF YOU ARE ABLE TO  
INCREASE THE LEVEL OF LAKE  
MICHIGAN, DO IT AS SOON AS POSSIBLE.

THANK YOU,

Fred Sytsma
